ElectronicsCooling

A Magazine Dedicated to Thermal Management in the Electronics Industry

2009 Buyer's Guide

Products & Services for the Electronics Thermal Community

The November 2008 issue of *ElectronicsCooling* will feature the 2009 Buyer's Guide. The printed Buyer's Guide will be placed online after the release of the November issue. Those companies who have advertised in the magazine during the calendar year of 2008, will receive FREE hot links to their homepage from all of their listings in the 2009 Online Buyer's Guide.

Please note that a company listing must be in the print version of the 2009 Buyer's Guide in order to be listed in our 2009 Online Buyer's Guide.

To receive the FREE hot links from your company's 2009 Buyer's Guide listings, advertising space must have been purchased in at least one of the 2008 issues of *ElectronicsCooling* such as; Display Advertising, Classified Advertising, an extra Industry Listing or any Showcase Listings in the 2009 Buyer's Guide.

Every company will receive three FREE Industry listings in the 2009 Buyer's Guide, additional Industry listings will be \$50.00 each. The Industry listing will be text only – no graphics, boxes or shading. The listing will include Company name, Address, Telephone and Fax numbers, Email address, and Web address. List your company by the products and services that best fit your company's product line. To be listed in the 2009 Buyer's Guide a listing form must be submitted.

SHOWCASE LISTINGS

A Showcase Listing will really make your listing stand out!

There is a \$250 charge for each Showcase listing.

- *Logo Listing* – Your company logo will appear above your listing. Maximum size of logo 1 ½" width by ½" depth. Artwork materials accepted are high resolution (300dpi).gif,.tif or .eps file of your logo.
- *Shaded Listing* – Your listing is highlighted by a boxed, shaded area.

— **Logo & Shaded Listing**—

Combination of the Logo & Shaded Listing – there is a \$400 charge for each of these Showcase listings.

Buyer's Guide Listing Form and materials are due by August 15, 2008.
